

WISHA 10 for Agriculture Training of Trainers (TOT)

L&I's Division of Occupational Safety and Health offers this course to help seasoned and skilled agriculture personnel become certified to teach the WISHA 10 for Agriculture class.

About the TOT course:

- The course is taught over five days, 40 class hours, Monday to Friday, 8 a.m. to 5 p.m.
- There is no cost for the course.
- It will be offered at several locations statewide.

Who may apply?

The course is designed for personnel with at least five years of agriculture safety and health experience OR either:

- A college degree in occupational safety and health.
- Certification as a safety professional, industrial hygienist, safety manager or other occupational safety and health professional.

Applications will be reviewed for applicable work experience and training.

Washington State Department of
Labor & Industries

Division of Occupational Safety and Health

Objective:

Comprehensive training includes agricultural safety and health hazards, instruction on adult learning principles and presentation skills. Students must demonstrate their skills and abilities as a WISHA 10 Trainer. Successful participants will receive a WISHA 10 for Agriculture Certified Trainer Card and be authorized to conduct WISHA 10 for Agriculture training.

Topics to be covered:

- Washington Industrial Safety and Health Act (WISHA) and Safety Standards for Agriculture
- Tractor safety
- Machine Guarding
- PPE
- ATV Safety
- Pesticide Safety (Worker Protection Standard)
- Orchard Ladders
- Field Sanitation
- Outdoor Heat Exposure
- Preventing Sprains and Strains
- Cholinesterase Testing
- Filing a Workers' Compensation Claim
